Instructions for Completing Medication Authorization Form

All prescription and over-the counter medications are kept locked in the health center and will be administered only as authorized by the parent and child's physician. <u>Important: we cannot administer any medication you send for your child without this signed form.</u>

Steps to complete the Medication Authorization Form:

- 1. Medication <u>must</u> be prescribed by a California licensed physician. Medications from Mexico or authorizations from Mexican physicians are not allowed by law.
- 2. Prescription medication must be provided in the original container labeled by a *California pharmacist*, non-prescription medication must be provided in the original container.
- 3. All medication, both prescription and non-prescription, require a physician's signature, medical license number and complete (legible) instructions from the physician.
- 4. Verify that all medications are properly labeled:
 - a. medications are in their *original containers*
 - b. prescription medications are properly labeled by the California pharmacy, including:
 - 1) student's name (prescription must be for the student only, no other name will be accepted)
 - 2) medication name
 - 3) precise dosage instructions, quantity and frequency
 - 4) physician's name
 - 5) school's initials; example "Twin Peaks" would be T.P.
 - c. non-prescription medications are properly labeled, including:
 - 1) manufacturer's label with the medication name, dosage, and instructions
 - 2) add your child's name (first, last and initial) and the school's initials (e.g., Twin Peaks would be "TP") **example:** Amanda C. Garcia ("TP")
 - d. Spanish labels must be translated to English on the Authorization Form
 - e. Medications are not expired.
- 5. Fold this form and place it in a zip-lock baggie with all the medications (both prescription and non-prescription in <u>original containers</u>) and forward the bag to your child's school as directed by their school.
 - a. Label the baggie with your child's full name and school initials (use masking tape).
 - b. **DO NOT** send any medication to the site in your child's suitcase.
 - c. Homeopathic, herbs, and vitamins <u>require</u> a medical authorization form completed by your physician.
