

WHAT YOUR CHILD WILL NEED TO TAKE TO OUTDOOR SCHOOL

Use this list of recommended gear and clothing as an inventory of the items your child takes to the outdoor school.

Pack everything your child takes in **one** suitcase or stuff bag and one bedroll. Do not tie items together.

Weather at outdoor school can vary greatly. Items listed below marked with an asterisk (*) are necessary year round unless otherwise noted.

New clothing should not be purchased unless necessary. Experience has shown that comfortable old clothing is more satisfactory.

Beds and mattresses are provided in modern heated facilities.

Stamps are not available at the site. Stamped, pre-addressed postcards or envelopes are a good idea.

DO NOT BRING: money, candy, gum, food of any kind, flashlights, knives, hatchets, matches, hair spray, and other spray items, radios, iPods, MP3 Players, electronic games, cell phones, hair dryers, makeup, perfume, curling irons, or dangling earrings. We recommend not bringing a watch or jewelry of any kind. If brought, we will not be held responsible for lost or damaged items.
